MEMORANDUM FOR GENERAL CABELL

Item 2: Handling of Chinese and North Korean Non-Repatriated Prisoners of War in Korea.

This item has been put on the agenda at the suggestion of General Smith. Our people have no particular concern with this problem which is largely in Defense's hands. Our people do believe, however, that attention might be drawn in this connection to the situation of North Korean refugees now in South Korea who may wish to return to North Korea. A cable from Ambassador Briggs expresses the view that few N. Koreans, if any, will want to return.

Item 3: Memorandum to Acting Director, PSB from Mr. [redacted]
on behalf of the Acting Director of Central Intelligence,
dated August 14, 1953.
